## Product Specifications for NA5100 G

**Category** 2 Spindles

**Solution Type** White Box Notebook (Centrino)

**Processor** Intel Pentium M (Support Banias 1M L2 / Dothan 2M L2)  
Max. Recommended Frequency: 2.0 GHz (FSB400)  
CPU Exchangeable

**Alternative Processor** Intel Celeron-M  
Maximun Support Freq: 1.4 GHz (FSB400)  
CPU Exchangeable

**Chipset** North Bridge: Intel 855GME  
South Bridge: Intel ICH4-M

**Weight and Dimension** Width: 296 mm / 11.66 inch  
Depth: 205 mm / 8.03 inch  
Height: 35 mm / 1.38 inch  
Weight: 4.3 lbs/1.95kg

**Display** Size: 12.1 inch  
Wide Screen (16:10), 16M color  
Resolution: WXGA: 1280x800  
Simultaneous LCD and CRT display  
Dual view support

**Graphics** System Integrated VGA core  
Intel Dynamic Video Memory Technology

**System Memory** Available Socket: 2  
DIMM Type: SO-DIMM DDR (DDR333/266)  
Max. Supported RAM 1024MB

**Storage** Card Reader: CF  
HDD type: 2.5" EIDE HDD (4200RPM / 5400RPM)  
Optical Device: DVD ROM / Combo (DVD/CD-RW) / DVD Super Multi (Optional)
